Racial Equality Learning Resources

This list of resources was compiled to help anyone interested in educating themselves and growing their understanding of the underlying problems in American society which has culminated in the Black Lives Matter movement.

We're all at different parts of our journey in understanding and we all learn in different ways. With this in mind, this has been organized to help you jump in using a medium that's compatible with your life and aligned to what you can engage with meaningfully

This document is neither comprehensive, nor complete and will continue to evolve. Please reach out if there are improvements you see that can be made.
